 ASAP 3a letter - 8-3-17_revised draft_HQ input.docx.dotx

<!--[endif]-->

Hi Mark,

Clay Miller and Charles Kovatch called me earlier this afternoon. The attached letter includes their edits and comments. Please revise the letter and send it back to me, Kim and Mary Anne for review. Mary Anne is out of the office until Wednesday, but informed me this morning she will be able to send us the ARNI attachment for review when she returns to the office.

I also received timing and briefing direction regarding the 3b letter. I will send that information via separate email.
